

FOR IMMEDIATE RELEASE

Global Results Communications Expands its Reach into Space Industry with VAST Partnership

Santa Ana, CA – Nov. 2022 - Global Results Communications (GRC), a premier strategic communications agency renowned for its expertise in technology, aerospace, and emerging markets, is proud to announce its newest client partnership with VAST Space, a leading innovator in the space exploration industry.

The collaboration between GRC and VAST Space marks a significant milestone in both companies' endeavors to push the boundaries of space exploration and technology. With a shared passion for innovation and a commitment to advancing the frontiers of space, this partnership is poised to amplify VAST's brand presence and accelerate its mission to unlock the mysteries of the cosmos.

Valerie Christopherson, Founder and CEO of Global Results Communications, expressed her enthusiasm about the partnership, stating, "We are thrilled to welcome VAST to the GRC family. As pioneers in the space industry, VAST is at the forefront of driving innovation and exploration beyond our planet. We are honored to have the opportunity to collaborate with them and support their vision through strategic communications."

VAST Space is equally excited about the collaboration and anticipates leveraging GRC's expertise to enhance its global brand visibility and communicate its groundbreaking achievements to a broader audience.

Global Results Communications remains committed to delivering innovative communication strategies that drive growth and foster positive change. The addition of VAST Space to its client roster further solidifies GRC's position as a premier strategic communications partner in the aerospace sector.
