

**FOR IMMEDIATE RELEASE**

## **Global Results Communications Strengthens Healthcare Portfolio with Addition of Antidote Health**

**Santa Ana, CA – Jan. 23, 2024** - Global Results Communications (GRC), a leading strategic communications agency specializing in technology, healthcare, space and telecommunications, proudly announces the inclusion of Antidote Health, a pioneering telehealth platform, to its esteemed client roster.

The partnership between GRC and Antidote Health signifies a strategic alignment aimed at revolutionizing the healthcare industry through innovative communication strategies and impactful campaigns. With a shared commitment to advancing access to quality healthcare and leveraging cutting-edge technology, this collaboration promises to elevate Antidote Health's brand visibility and drive meaningful engagement.

Valerie Christopherson, Founder and CEO of Global Results Communications, expressed her excitement about the collaboration, stating, "We are honored to welcome Antidote Health to the GRC family. As champions of accessible healthcare solutions, Antidote Health is at the forefront of transforming the way individuals access medical care. We are eager to leverage our expertise in strategic communications to amplify their mission and drive positive change in the healthcare landscape."

Antidote Health is equally enthusiastic about the partnership and looks forward to leveraging GRC's industry-leading communication strategies to expand its reach and impact.

"We are thrilled to partner with Global Results Communications as we continue our mission to make high-quality healthcare accessible to all," noted Antidote Health. "GRC's proven track record in healthcare communications and their commitment to innovation align perfectly with our vision. Together, we are poised to drive significant advancements in telehealth adoption and improve healthcare outcomes for millions of individuals."

Global Results Communications remains dedicated to delivering strategic communication solutions that drive growth and foster positive change. The addition of Antidote Health to its client roster further strengthens GRC's position as a premier strategic communications partner in the healthcare sector.
